

NOTICE

June 16, 2011

I no longer have a case manager.

One of her jobs was to track your filings and tell me when your motions are fully briefed and ready for ruling.

To insure that your motions are promptly decided please email my judicial assistant at: ctjasw1@ocnjcc.org whenever a motion in one of your cases is ready for decision.

This request includes pending motions that are currently fully briefed.

I apologize for having to make this request and thank you in advance for your cooperation.

Circuit Judge Frederick J. Lauten
Division 43
