Notes:

1. The table above consists of only those parenting coordinators who are qualified to provide parenting coordination services within the Ninth Judicial Circuit - which includes both Orange and Osceola Counties. Some parenting coordinators in this table may also be considered qualified in other Circuits. Please contact those Circuits for a list of parenting coordinators who are considered qualified within each respective Circuit.
2. The table above does not specify which qualified parenting coordinator also provides parenting coordination services through the Orange County Parenting Coordination Program. Please contact the Administrative Coordinator of the Parenting Coordination Program at (407) 836-2394 for information about the program, rates, and process for being added as a parenting coordinator with the program. The hourly rates and retainers shown above are those being charged within each parenting coordinator's private practice and do not reflect those of the Orange County Parenting Coordination Program.
